

The Seminole Cultural Arts Council (SCAC) is a catalyst for the preservation of local cultural and historic heritage, including performing, literary, and visual arts and sciences.

Formed in 1994, the SCAC is a registered 501(c)(3) nonprofit organization offering sponsorships, fundraising events, a grants program, a county-wide arts and cultural map, and community-based arts programs. Utilizing social media, the SCAC acts as a clearing house for arts and culture announcements in Seminole County and Central Florida. Our mission is to serve, support and nurture the cultural and artistic needs of our residents, and to sustain, develop and advance the cultural life of Seminole County.

In May, 1995 the Seminole County Board of Commissioners designated the SCAC as the official recipient of specialty Florida State of the ARTS license plate funds. With this and other funding, SCAC is able to provide grants to arts and cultural organizations, individual artists and the community.
