Mission:

SCAC advocates in Central Florida for Seminole County's art-rich community. Formed in 1994 as a not-for-profit organization, the Seminole Cultural Arts Council (SCAC) is best known as a clearinghouse for arts information and is a source of funding for local arts and culture agencies and activities.

In 1995, the Seminole County Board of County Commissioners designated SCAC as the official recipient of Florida State of the Arts Specialty License Plate revenue. With this and other funding, SCAC supports the preservation of cultural and historic heritage including performing, literary, and visual arts and sciences. Since its formation, the SCAC has awarded more than \$370,000 in local grants in support of the arts.
